

Features and Benefits

- MERV 11 media filter removes airborne pollutants
- May help protect and prolong the operating efficiency of the heating and cooling equipment
- Heavy-gauge, galvanized-steel and powder coat paint finish on main cabinet door resists corrosion and provide trouble-free installation
- Space-saving design for vertical installations
- Eliminates the need for a 90° duct adapter
- Integrated turning vane provides even distribution across the media filter
- Adjustable inlet duct opening replaces the need for field-assembled transition, reducing installation time
- Reversible airflow
- Dual access doors allow versatile installation and easy maintenance

Replacement Media Filters

Replacement Filters			
Model #	MERV 11	MERV 13	MERV 13 w/carbon
AM11-1625-5RA	AMP-11-1625-45	AMP-13-1625-45	AMP-13C-1625-45
AM11-2025-5RA2	AMP-11-2025-45	AMP-13-2025-45	AMP-13C-2025-45

When replacement filters are required, contact the original installer or the contractor who services your heating and cooling equipment.

The MERV 13 replacement filter with carbon coating may assist with odor absorption.

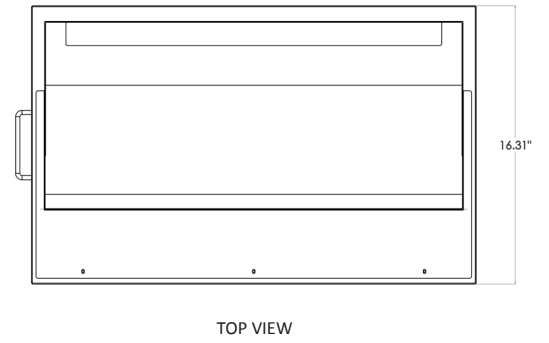

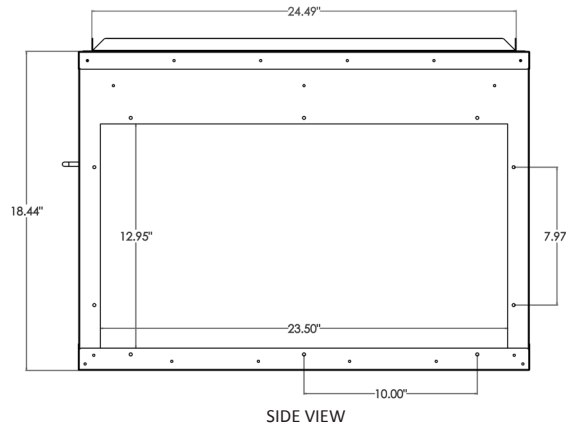

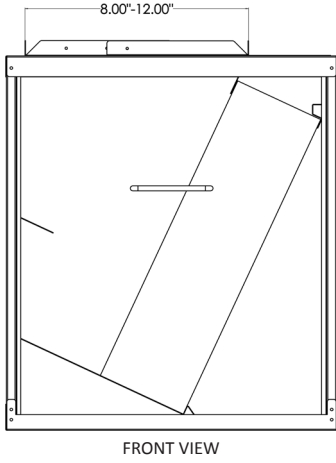

WARNING

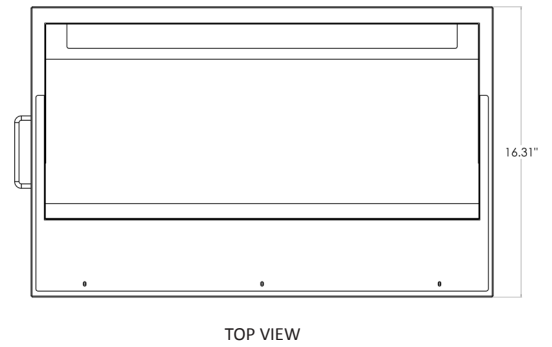

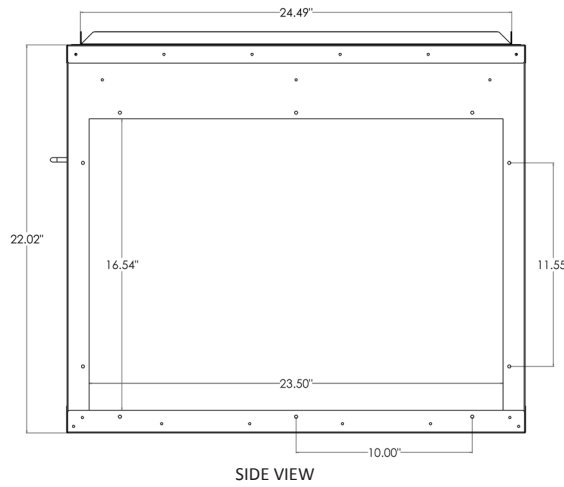

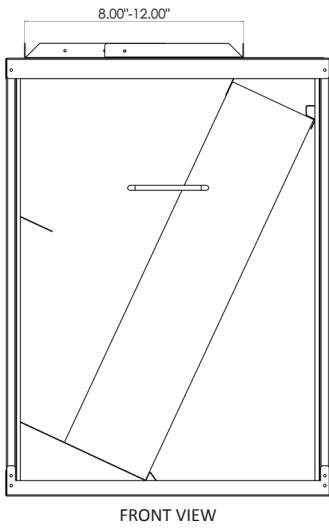

Only personnel that have been trained to install, adjust, service or repair (hereinafter, "service") the equipment specified in this manual should service the equipment. The manufacturer and seller will not be responsible for any injury or property damage arising from improper service or service procedures. If you service this unit, you assume responsibility for any injury or property damage which may result. In addition, in jurisdictions that require one or more licenses to service the equipment specified in this manual, only licensed personnel should service the equipment. Improper installation, adjustment, servicing or repair of the equipment specified in this manual, or attempting to install, adjust, service or repair the equipment specified in this manual without proper training may result in product damage, property damage, personal injury or death.
